Its up to you. I don't think that you need an atty. We can meet. If you don't think that we can agree, we will meet again w/ the atty. I think that we can. If you call me, I will give you an example. This should allay your concerns. Please verify that we are meeting on Tuesday, by calling me on Monday. I don't have Rick or Paul in now.

Ok. Tuesday at 9:00 AM. I'll come straight from school. I just got off the telephone with our attorney. He thinks we are solid in what we've done. I'm sorry, and I don't mean any disparagement, but Rick does not usually add clarity for me. I aalways find Paul to be very thoughtful. Let's bring them all on then. Should I bring our attorney? We have a legitimate point of view that we want to have heard. Can you get the City Attorney there too? I don't see how we can really get to any meeting of the minds until the attorneys are both present.

I want to ensure that we are properly communicating with each other. A small meeting is fine, however, it would be most appropriate to have Rick present rather than Paul or Paul too. I now have a meeting scheduled at 10 am on Monday and Tue. Rick nor Paul is here today. We could tentatively schedule a meeting on Monday at 9 am. However if neither are here, that will be a waste. I suggest scheduling a mtg on Tuesday at 9 am or in the afternoon.

I am available from 10 AM on Monday. If we have to go to Tuesday, I only have to take my son to school (I'm the car pool mom) and could be there by 10 AM again. Let's do Monday.

I love you! You are the best!

That said, my suspicions are aroused when the boss wants to meet with me.

Maybe you & I & Paul should meet alone. I'm happy to understand how my understanding may be improper and that may be enhanced by a

smaller group rather than a larger group. I've just spoken with Kerry Morrison and she is going to send me her Sunset & Vine materials.

I don't understand what has changed since we prepared the Westchester; Sunset / Vine; or San Pedro MDP last time. What case?

Thanks Miranda.

I was the hold up on the review of your last draft of the MDP. I apologize. I have been wearing more hats these days. I finished my review. It will go to Rick to prepare the combined notes. I would like to meet w/ you next week to review the notes. When is your availability? I am available most of the day on Mon & Tues, with mtgs scheduled on Wednesday morning and Thursday afternoon.

I see it now. It's not my address that's incorrect, it's information that Microsoft has stored that is related to it, back from the 1st day I entered her address with the wrong spelling of her name. Thanks for pointing that out. I'll get it out of there somehow!

The email address that was listed misspelled the first and last name for Rosemary.

Thanks Miranda...

Is that different than what I used? I look and look at these addresses sometimes and don't see the differences!

On another subject, we are approaching 4 weeks that the Westchester MDP & ER have been under 2nd review in the City Clerk's Office. It seems to me that we are in danger of adding assessment collections to an already over worked staff because we might not be able to make it through City Council in time to file for the County Tax roll. Let me know what I can to help move this along.

Thanks again.
